.....

### September 7<sup>th</sup> and 8<sup>th</sup>

#### **Heritage Open Days**

Free admission to the mill.

admission. We are looking into having a machine so that visitors can pay by card.

We are desperate for more stewards! Our small band of stewards is diminishing, so we are opening less often. If you can help at all, or know someone who can, please do get in touch.

David Hallen

## **Spring News**

### **2024**

Our AGM this year will be on Wednesday 13<sup>th</sup> March, at 7.30pm, at The Dog and Rot (Conservative Working Men's Club) next door to the mill. Please do come along if you can. The meeting is quite short, and it is a chance to catch up with other members, and have a drink and a chat.

Last year I reported that we were trying to fix the problem of water in the pit below the pit wheel, using new technology involving injecting a 'geopolymer' into the mill floor to form an impermeable barrier. This is proving to be more difficult and prolonged than we had hoped. Historic England have been helpful, the local council less so! We are awaiting further specialist advice, and will need to review whether the project is still worthwhile.

Our new website will be up and running soon. It can still be found at [www.brindleymill.co.uk](http://www.brindleymill.co.uk) Have a look, and let us know what you think.

Our admission price increases this year for adults to £5. The charge for children remains unchanged, but we have stopped the allowing English Heritage members having half price
